

Letter of Commitment for athlete support personnel or other persons

pursuant to § 24 para 4 of the Federal Anti-Doping Act 2007 (in its currently applicable version)

National Federation: Date of birth:

Mailing address: E-Mail:

I, , hereby confirm with my signature that
First and last name

- a. I submit myself to the anti-doping rules of the respective national and international federation or those of the respective international sports organization,
- b. I will refrain from committing acts that are incompatible with principle of fairness and the spirit of sport and
- c. I will provide to the sports organization a mailing address or electronic address for notifications.

I am informed that sports organization shall not employ any of the following athlete support personnel or other persons:

1. those, who are serving a period of ineligibility on grounds of anti-doping proceedings for the period of ineligibility. If the period of ineligibility exceeds 24 month the athlete support personnel or other person concerned shall not be employed for six years, starting from the beginning of the period ineligibility; or
2. those, upon whom sanctions were imposed in criminal proceedings or under the code of professional conduct for an act that would have violated anti-doping rules, for the period of this sanction, but at least for six years from the date of the relevant decision.

If the athlete support personnel or other person does not submit her- or himself to the anti-doping rules of the respective national and international federations or those of the respective international sports organization, the competent National Federation shall not employ, support or admit her or him to competitions.
