

Dear Madam,
Dear Sir,

with respect to the upcoming election of the Foundation Board and Executive Committee of the World Anti-doping Agency (WADA) for 2020-2021, the Ad hoc European Committee for the World Anti-Doping Agency (CAHAMA), at its 46th meeting on 6-7 May in Bucharest, Romania, adopted a list of candidates for the European member of the Executive Committee.

CEADO values all candidates for their efforts in anti-doping and the high qualification for this very important position in the protection of clean sports. After thorough consideration CEADO has decided to support the nomination of Ms Shafag Huseynli as European member of the WADA Executive Committee. As CEO of the Azerbaijan National Anti-Doping Agency (AMADA), Ms Huseynli has valuable practical experience in the field of anti-doping and will be more than apt to fulfil her role as member of the Executive Committee.

National Anti-Doping Organisations (NADOs) are responsible for two-thirds of all the doping controls that are conducted worldwide and are among the leading organisations who deliver anti-doping education. It is of great importance, that the NADOs are represented in the leading committees of WADA, to add their expertise and commitment to the international anti-doping community.

Yours sincerely,

Michael Cepic
CEADO, Chair of the Board
